We have for sale a historic house in the center of Güímar. That house is included in the Asset of Cultural Interest with the category of Historic Complex of Güímar. It is a two-storey building with a rectangular floor plan with a small interior patio, which responds to a typical typology of traditional architecture with a clear classicist influence typical of the 19th century, which is reflected in the symmetrical composition of the gaps in the facade . The property has been intended for housing in the upper part, while the premises on the ground floor have served as premises. This property is located near the Plaza San Pedro, the Court, Post Office, ... A great opportunity to live, investment in homes, offices, ...
