Enjoy your morning coffee on the terrace overlooking the sea, surrounded by a peaceful residential community and filled with natural light throughout the day. This townhouse in Chayofa combines relaxed living with a central location in the south of Tenerife.

We are pleased to present this recently renovated two-storey townhouse in the well-maintained Las Lomas residential complex, offering private access and a welcoming atmosphere. The fresh white interior creates a timeless and elegant style while enhancing the sense of space and brightness throughout the home.

The property features three bedrooms and bright living areas. Large windows allow abundant natural light into almost every room, creating a comfortable and inviting environment. Outside, a private garden and a spacious terrace with sea views provide the perfect setting for outdoor living, relaxing afternoons or entertaining family and friends.

A standout feature is the exceptionally large garage with direct access to the house. In addition to parking space, it offers excellent potential for a hobby room, workshop or additional storage. Chayofa is one of the most sought-after residential areas in southern Tenerife, appreciated for its tranquillity while remaining close to shopping facilities, services and the coastal resorts of the region.

The property is sold unfurnished and is presented in very good condition, as shown in the photographs.

An ideal home for those seeking light, peace and quality of life in one of Tenerife's most desirable residential locations. We would be delighted to arrange a viewing.
