Investment opportunity in Tenerife South!

Are you looking for a solid investment in the property market? Tenerife South is your ideal destination. With a constantly growing demand and rising prices, this region offers a stable and attractive environment for investors. In addition, Tenerife is one of the most popular tourist destinations in Europe, known for its natural beauty and tax benefits for investors.

Asten Realty: Your partner in success!

We present you the investment opportunity you have been waiting for. For exclusive sale, we offer you a magnificent urban plot in Playa de Los Cristianos, Tenerife. This plot comes with an innovative project, recent building license and earthworks already executed, everything ready to start moving up!

Integral service for the success of your investment.

At Asten Realty, we not only offer you an exceptional property, but also a comprehensive service. Our network of collaborators will be in charge of supervising, coordinating and executing the project and Asten Realty will take care of its subsequent sale to the end client. Your investment will be in good hands from start to finish, with a quality after-sales service.

Puerta de Los Cristianos: Luxury and modernity.

The plot is strategically located in Playa de Los Cristianos, a subtropical and touristic area. Imagine a modern residential complex, designed by the renowned architect Sebastián Estrella.
