Spectacular property for sale in Palm Mar. Semi-detached villa recently completely refurbished. The house consists of two habitable floors plus the roof terrace. It has an interior surface area of 107 m², divided into two floors and has 3 bedrooms and 2 complete bathrooms, as well as a private garage space with automatic door, private heated and automated swimming pool. The kitchen, with high quality appliances, and the living room communicate with the outside area to create a unique atmosphere.

The property has a lot of privacy and is brand new, thanks to a complete reform. It is located close to the promenade and all the services of Palm Mar.

A unique opportunity in the market, as an investment for holiday rentals or to live in an exclusive place.

No community fees.
