New and unique project with licenses granted in Costa del Silencio. We offer the possibility of choosing between three types of villa on plots of between 508 m2 and 878 m2, approximately. Depending on the type of villa chosen, the sizes vary from 150 m2 plus terraces to 180 m2. This development gives you the option of carrying out your own project by acquiring only the plot. The development has all the necessary infrastructure to comply with the required parameters such as water supply, interior streets with pavements and road signs, low voltage distribution network, street lighting and telecommunications network. This project is designed to suit your needs.
