This banana plantation estate is a unique gem that combines the elegance of colonial style with the functionality of a thriving plantation. With 195 m2 of living space, this house offers a charming atmosphere with 3 bedrooms, a bathroom, living room, office area, kitchen and an enclosed porch that serves as an additional dining room.

The house, built in the quaint colonial style, is complemented by a spacious garage with capacity for 6 cars, a refreshing swimming pool and a garden area that adds a touch of serenity. The complex is completed with a separate 135 m2 house for staff and a spacious 133 m2 warehouse designed for banana packing.

From this property, you will enjoy spectacular ocean views as you gaze out over the extensive banana plantation that surrounds it. The two huge water tanks, one with 21,000 pipes and the other with 2,800 pipes, along with 39 water shares, ensure a constant supply for the plantation and the property in general. In addition, a comprehensive irrigation system facilitates maintenance and guarantees an impressive annual production of 200,000 kg to 220,000 kg. This unique property was built in 1973, providing a solid structure that combines tradition with modern comforts. It is an exceptional opportunity for those looking for an investment with a residential and agricultural component.

If you dream of living in idyllic surroundings with the opportunity to manage your own banana plantation, look no further. This finca offers an exclusive living experience, where colonial charm blends with agricultural productivity, make this property your home and business at the same time, and start enjoying a unique life in Tenerife!
