Villa under construction with spectacular sea views in Caldera del Rey, designed by a famous architect. Scheduled for completion in late 2025. Built from the finest materials, this villa is a pinnacle of luxury and elegance. Every detail has been carefully planned to offer an unparalleled lifestyle. A spacious living room and dining room invite to share unforgettable moments, an open plan kitchen + a closed kitchen is a paradise for food lovers, 3 large bedrooms with their own bathrooms, an office that can be converted into another bedroom, all with direct views to the sea and the island of La Gomera. Lots of light and air, yet with complete privacy. Closed garage for 2 cars, outside parking for 1 car, wine cellar, a spa with hammam and sauna, dressing room. However, the jewel of this villa will be the outdoor area of 200 m2, which will have a terrace with garden and swimming pool, all perfectly designed to enjoy the spectacular climate of the island. In conclusion, this villa in Caldera del Rey is much more than a property: it is a lifestyle.
