Splendid development of 5 luxury villas, located high above San Eugenio with spectacular panoramic views of the southern coast of Tenerife!

Its location above other residential developments guarantees privacy and tranquility. Designed by a renowned architect, the homes provide privacy and luxury, as well as incredible views of the ocean and the island of La Gomera from every corner of the property.

Sustainability is at the heart of the design and construction. Dedicated to minimizing environmental impact and ensuring a sustainable future for all residents by incorporating green technologies and eco-friendly materials, the home has three double bedrooms with en-suite bathrooms and dressing rooms, one of which is on the ground floor.

The large open-plan kitchen with its island leads to a spacious living room and a fully open terrace, blending the interior and exterior spaces. There is a generous infinity pool surrounded by gardens.

Two other bedrooms are located upstairs, with access to terraces with incredible views.

On the first floor, there are two parking spaces and a storage room.

Choose your luxury home and enjoy the beautiful sunsets!

Delivery in 2027.
