Commercial Garage with Office – Versatile 215 m2 Space for Sale

Excellent opportunity to acquire a spacious commercial garage with separate office in a very good location. This versatile unit offers a secure and practical solution for businesses needing storage, logistics, or workspace near the city center.

Main Features:

- Total area of 215 m2 combining garage/storage and separate office
- Secure access with loading and unloading facilities
- Ideal for small to medium-sized businesses, e-commerce, distribution, or professional activities
- Flexible space suitable for a variety of business needs
- Excellent location with good connectivity and visibility
- Ready to use, in very good condition and well-maintained

This property represents a unique opportunity to invest in a multifunctional commercial space with high rental or operational potential.
