Development in Casilla de Costa of 8 Italian-designed villas, just a 10-minute drive from Corralejo's best beaches!

Located just minutes from the coast, these villas offer the ideal combination of style, tranquility, and value, perfect for families, investors, or anyone dreaming of owning a property in paradise. Don't miss this unique opportunity to secure your spot in one of the island's most coveted neighborhoods.

Each home features elegant architecture, bright interiors, private pools, and sun-filled terraces, designed for maximum comfort and privacy.

Architecturally refined, Brazilian-inspired, they are in harmony with the unique character of the Canary Islands.

These homes aren't just beautiful, they're smart, sustainable, and future-proof. The development proudly meets Energy Class A standards, ensuring optimal insulation, reduced consumption, and minimal environmental impact. Solar panels are integrated into each home, providing renewable energy and reducing costs, a smart choice that respects both nature and lifestyle.

On the ground floor, we find the property's parking space, the garden, and a 7×3 meter emerald-hued pool. The ground-floor interiors feature warm wood colors in the open-plan living room and kitchen, as well as a guest toilet and laundry room.

The generous skylight provides natural light at the top of the staircase leading to the upper floor. This villa features two double bedrooms, both with en-suite bathrooms. The master bedroom has a balcony overlooking the pool, but this floor also features a large 25 square meter sun terrace.

The house features home automation, smart living, high thermal and acoustic insulation, and photovoltaic panels with batteries.

Other home types with 3 and 4 bedrooms are available.
