We present this exceptional agricultural plot of 8,601 m2, located near the center of the town of Guía de Isora. This is a unique opportunity to have your own space in the heart of nature, without giving up the convenience of all the services the town has to offer. The current urban planning regulations allow the construction of facilities related to agricultural use on plots of this size, providing multiple possibilities to make the most of this land. Additionally, due to its location, access to utilities such as water and electricity is possible. The property has its own access to the road, ensuring easy connectivity.
