

5 Bedroom Building - San Isidro - 9717

Property type	Building		
Location	San Isidro, Granadilla de Abona		
Sale	375 000 €	Reference	9717
Built area	168m²	Kitchen	Separate
Bedrooms	5	Bathrooms	2

In the heart of San Isidro, we present this building with 5 bedrooms, 2 bathrooms, dining room, kitchen and roof terrace with the possibility of building an additional floor. A versatile property, perfect for both investors and those looking for a property with potential for expansion.

Located in the heart of San Isidro, this building offers the convenience of having all amenities at your fingertips: shops, transport and services, all within walking distance. A lively and practical area, highly sought after by both residents and visitors.

Inside, the property has five bedrooms currently rented out, generating a monthly income of €550 each, as well as a well-distributed kitchen and dining room and two functional bathrooms. The roof terrace is another strong point: spacious and with the possibility of building another floor, providing scope to increase profitability or create additional customised space.

We invite you to request more information or arrange a viewing to discover the full potential of this opportunity in San Isidro.

Property tax: €300/annum.

Asten Realty Reference: 9717.
