Newly built one-bedroom apartments located in an exclusive and quiet development on the Amarilla golf course, an ideal setting that combines design, comfort, and nature.

The property has a large terrace, perfect for enjoying the island's privileged climate. A spacious and bright living-dining room with an open-plan kitchen, fully furnished and equipped with high-end appliances, and an adjoining, convenient laundry room. It has direct access to the large terrace through sliding doors that flood the home with natural light.

A double bedroom with a built-in wardrobe and a full bathroom are located in the hallway. The home includes a parking space and a storage room. The home can be customized by choosing from different types of flooring, bathroom tiles, and kitchen colors.

The hot water system uses aerothermal energy.

Each home will have the necessary pre-installation for the future installation of an electric vehicle charger, as well as pre-installation for air conditioning.

Estimated delivery date: 2027.
