The hotel for sale is located on a cliff on the west coast of Tenerife in an area surrounded by nature with spectacular views of the sea and the coast near the city center in a very quiet residential area. The hotel has 1600 m² of which 1334 m² are useful. It has 30 rooms with bathroom and views of the cliff. On the ground floor there are 3 suites with a 10 m² terrace overlooking the sea and the coast. It has a pool and nice terraces overlooking the cliffs. Large living room, pool area with sauna and jacuzzi. It has an elevator and fireplaces in the lounges in a very warm traditional style. It has a hotel license. You can reach the beach on this coast by walking along a path that leads directly to the hotel. It can be purchased renovated with 3 more bedrooms and furnished kitchens at a price of € 2.500,000.
